If you do not follow these rules you will lose the ability to use tech during class for one week. If you continue to break this policy your tech privilege will be revoked permanently.

Plagiarism/Cheating POLICY :

Plagiarism, copying the thoughts, ideas, words, or other intellectual property of another, is a serious situation and will not be tolerated. Likewise, cheating is unacceptable and will be likely result in receiving a zero. This includes talking during a test or quiz. Please be diligent when studying, respect your time and ability, as well as your fellow students.

Grading

In this course your grades are broken up into 3 major categories (Major, Non-Major, and Homework) Each of these categories are weighted differently. This means that a test or major grade will affect your overall average more than a homework grade.

ABSENT?

According to school policy, you are given two days per absence to make up your work. Please check with your peers, me, and the missed work folders.

TURNING IN WORK

All assignments must be submitted at the beginning of the assigned class period. Homework will not be accepted late. Typed work is expected to be turned in as a hard copy at the beginning of class; you may not print at school. For these long-term assignments, you have four days to turn them in late, with seven points a day being deducted.

Check out the library for book suggestions! Don't forget about independent reading each quarter!
